This is no time for soft words. We feel, as you have a right to feel, that you have a Governor who cannot be depended upon in the formed near this sity, for a week or ten days, for the purpose of drilling. Such an exercise of troops is altogether proper, not to say necessary, and we see no reason why the City Council should not provide for it.

The contiany Kentuckinn wishes these Governor who cannot be depended upon in this crisit; but it is upon the people of Kentucky, it is upon the people of Kentucky, it is upon the men of Kentucky, it has two rely. All we want to know is, whether you are for the Union without reservation? [Cheere, and "That's it," that's it."]

There is no man here who doubts that Obio is not a unit on this subject. That disg in pointing to the Star Spangled Banner; it we the sun that attracts to it and regulate the movements of the great system of planete harmonicusly, must attract to it planete harmonicusly, must attract to it operately street the sun that attracts are to it wery State in this Confederacy, if you are but truto to it.

We will stand by you, but we cannot surrender one stogic total of the ground upon which we ought to shad—the Union of the Col. RAUSEAU FOR THEUNION.

Col. Rausseau stat the dare not trust him self to say all that he would like. I am unapproach there is not intent or dictation. God and the right! The whole country and nothed ghus our country! Every star must be dare there. [Inclining to the first.] Not the first.] Not the first hard the content of the country and nothed ghus our country! Every star must be dare there. Mr. Sidney Smith, the low comedian of piece of ordnance ever cast while. meet at Atollo Hall, corner First and Jeffer- the theater, takes a benefit to-night, and makes his parting bow to the Louisville To Mr. Nunemacher, messenger of public. We are sorry to loose this excellent Adams Express Co., we are again ln- actor, who, in the short space of seven months, has established his reputation as one of the best low comedians we have ever DROWNED.—A man who was supposed to had on our boards. Ha goes from here to Mr. E. Goldann, be lienry Spitznagle, was found floating in Buffalo to play a summer engagement, and the river last evening, at the foot of Sixth although we are sorry to loose him, we lay and wish him all imaginable gool fortune in his new sphere of action. The bill for to-night ver Swift's Rolling Mills, in Newport, Ky , Is an excellent one, comprising three pieces, on Thursday. A saluse of thirty-four guns | with songs and dances | The drains of the Poacher, the burlesque of Phoshontas, and Young Mr. F. B. Elrod, on Market the farce of the Benicia Boy: a dance by Mayet reel, is making beautiful ambrotypes at Jennic Hight, a drill by the female Zouaves, fabulous low prices, between Third and and a song by Mr. Look, makes up a strong fourth streets.

We are authorized to consider a Manual Tax C. destor in the streets. satisfy alliastes. We h pr that Sidney's benefi will be an event to be remembered

The Border Alliance.

MITT MEETING -THE LATISTILLE COUNCIL - SPEECHES BY JUDIA AT MADISON, IND. - SPEECHES BY JUDIE, SULLIVAN OF INDIANA, AND N. WOLFS OF KENTUUKY.

Yesterday quite a large delegation of cit ority of the agent of the Fall River line zers came over from the bordering counties of steamers, denies the poisoning of Mas- of Carroll and Trimble, in Kentucky, and eachusatis volunteers with drugged brandy were met in mass meeting by our citizens. The gathering was very large indee 1 Col. John Preston of Kentucky presided over Isrs, climbed the liberty pole in the public and good feeling were passed, pledging the R. FRANCE & CO...... citizens of each side to mutual defense duriog the present civil crisis through which 31 62 48 53 -2 44 69 25 -8 30 66 41 our country is passing. The manifestations those who wish to maintain peace and good order in the two communities on cack side of the river. Later in the afternoon the mail boat came

in the vicinity.

Ilead Shaved.—A young man at Memphis, on Wednesday, expressed a determination of going North to fight the South.

Ile was overheard, seized by a party of State point to it as the safest and most honorable conrec

The Anguera (Ga ) Constitutionalist recommends that they cease firing ralutes in the Southern States, as it is a waste of the Ladies' Home Guard Association, for the Southern States, as it is a waste of the Ladies' line Guard Association, for the Southern States, as it is a waste of the Ladies' line Guard Association, for the Ladies' for the Ladies' and the Ladies' and the Ladies' and the Ladies' and and to harse and comfort them in time of battle.

A Whale.—The large whale, 6538 the Philadelphia Ledger, which made its appearance in the Delaware on Sunday was called the large grant of restricted against the shores and people of Indians should be directed against the shores and people of Kentucky. He said the ites of reintloochip and blood appealed to us to majurain amisone in the Delaware on Sunday was

For the Louisville Democrat 1 A Trick. As one of the lovers of my country UNION.

KENTUCKY AND INDIANA -The following The St. Louis Democrat of yesterday instance of the feeling between ludiana and learns from a responsible source that a duel Kentucky is highly creditable to both States.

depredations upon persons and property. At a public meeting the following gentle nen were appointed a Committee of Safety:

The New England Working men. We make the following extract from the

make with the weapon. Gorman was arrested.

War is upon us; for months the Gottou Shates leave been arming and preparing for war, white at the North, we have been adjusted the object of the meeting, after which surround us, and it is not the fault of the prophe of the North that the Morth was called to the chair, and W. if. Watts appointed Sourc'sry. The consists of the gold of the prophe of the North that the thing has not been extiled peaceably.

The relegraph anneances that the position of Keunecky is to be neutral, at this lime; if ehe is ro honsely and truly, she will take a noble position, and cue which will take a noble position, and cue which will command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the command the gool will and respect of Sure when the gold truly, she will command the gool will and respect of Sure when the gold truly, she will the gold truly and truly, she will the gold truly and truly the gold truly and truly the gold truly the

oristing that was introduced even twenty years have it incompt the Cilifornia treasure ships. The steamers, has already suited from Texas to the Star of the West was been taken into New Orlews, a prize to the South of their remarkable virtues, but as quickly deposed, and were seen no more.

Said he know at 5 Takes mittee, together with the Hanover resolution, were submitted to the meeting, and vere anominously adopted.

The Hanover resolution being submitted to the Keenicky communities on the 24 h inst, at Madison, the following rasolution was Meeting in the file of the Keenicky communities on the 24 h inst, at Madison, the following rasolution was Meeting in the file of the Keenicky communities on the 24 h inst, at Madison, the following rasolution was Meeting in the file of the Keenicky communities of the Meeting in the file of the Meeting in the following rasolution was Meeting to the file of the Meeting in the following rasolution was Meeting to the file of the Meeting in the file of the Meeti which so many of our civiteus have so long yet been laken to render the blocksde tire.

On motion of Judge Walker, it was resolved that the proceedings of his aneeting a lying people who are in need of such medical process. The published in the papers of Marison, Cancinnai, and Louisville

On motion, the meeting adjourned.

After the adjournment, the meeting took

ON LONG CREDIT AND AT LOW PRICES. MECHANICS, FARMERS & WORKING MEN. procent population 1,722,608, a facto of 102 per cent to

THE attention of the enterprising and industries portion of the somewhite is directed to the following that the somewhite is directed to the following that the sound that the sound is the sound in the sound in the sound in the sound is the sound in the sound in the sound in the sound is the sound in the sound in the sound in the sound is the sound in the sound in the sound in the sound is the sound in the sound in the sound in the sound is the sound in the sound in the sound in the sound in the sound is the sound in the which, as they will perceive, will cashle them, by of 1850 approaches 0,000,000 tends. The which the own proper energy, personence can industry, to provide [crop yields not less than 110,000,000 bushels, commentable homes for themselves and families, with comparatively specified, very little capital.

Nowbers can the industrious farmer secure such im-

comparatively moveling, very little capital.

LANDS OF ILLINOIS.

No State in the Valley of the Mississippi off, we great an independent the satisfier at the State of Hindai.

There is no pertion of the world where all the cardidate them of chimate an independent to be satisfied by a substitution of chimate and off to admirably combine to produce those two greatestaples. Cover and Wamar, as the Prairies of Hindai.

RICH ROLLING PRARTIE I ANDS.

The deep rich loam of the prairies is cultivated with the company here cold 1,000,000 acres. The product of cultivate the contact contact and produced through the leads of one energy of 30,000, which wondorful facility that the farmers of the Eastern (arrough which it peach; not only 0.00, 1 1000 the positions of producing states are moving to Liknois in great name.)

And Oldello States are moving to Liknois in great name.

eat equal to that of Da-1801, a goin of 143 per cent.

EVIDENCES OF PROSPERTY.

As in evidence of the thrift of the people, R may be state, that 69,000 tens of freight, leading 8,600,000.

These lands are configuous to a railroad 700 miles bushels of grain, and 650,000 barrols of flour were fortunately warded over the Line last year. EASTERN AND SOUTHERN MARKETS. manication with the Eastern and Southern markets

APPLICATION OF CAPITAL

Thus far, capital and laber have been applied to developing the soil; the great recourses of the State in coal and Iron are almost untouched. The invariable rule to the Coal Western Double.

of the former. The terms of sale for the bulk of these

lands will be Over \$100,000,000 of private capital have been expended on the railread system of l'linela. Inasmuch ac
part of the income from several of these works, with
part of the income from several of these works, with

every day decrease.

The State delt it only \$10,100,300 14, and within the cach and every year, for two years from date of sale; and seven years that there years has been reduced \$2,000,743 81, and within the cach and every year, for two years from date of ale; that three years has been reduced \$2,000,743 81, and we so that at the end of five years cro-half shall be fenced.

and under cultivation. may reasonably expect that is ten years it will become ex-TWENTY PER CENT. WILL BE DEDUCTED.

The Sair is rapidly filling up with population; #63, steix dollars per acra, when the cash price will be five 025 persons having been added since 1850, making the dollars.

Pumphlets descriptive of the lands, soft, climate, productions, prices, and terms of payment, can be had. on : #33, at eix dollars per acra, when the cash price will be five J. W. FOSTER, Land Commissioner,

INSURANCE.

The steamer Jamestown has been fitted up at Richmond for war purposes.

There will be 25.000 volunteers at Richmond by the close of the week.

The schooner Anna J. Russell with wheat from Richmond for a Massachusetts port has been seized.

It is rumored that the troops at Harper's Ferry have been ordered to some other point, enposed to be near the capital.

The Baltimore Sun has a leader which indicates that the conservative inducence is gaining ground in the city it emphasition to the conservation of secression by the Legislature would be an arrogation of power not vested in it. It favors calling a State convention, the delegates to be elected directly from the people. It denies the stories of violance to Union men at Baltimore.

NEW YORK, April 23—The steamer received to Baltimore. New York, April 20 - The eleamer lankee sailed to-day, with swaled orders, rigged with two broadside guns and four lane arrillery enne. nog artillery game.

The frigate Constitution sailed from The frigate Constitution sailed from Annapolis, on Thursday evening, with the middles of the Naval Academy.

Collector Barney has received important dispatches from Washington, the import of which is unknown.

The Key Stone reports that there are no armaments along the Potomao river, nor cannon on the banks, as reported.

The frigate Cumberland and other vessels are at Fort Monroe.

The Monroe.

The Pawnee is reported safe. The American Telegraph Company will commence receiving messages from Washington in the morning. Those deposited in the office before harf past ene o'cluck of each day will reach Washington the same evening, arrangemente being made by which an almost hourly communication will be made with Washington. The press will thus be enabled to furnish a much fuller and more reliable idea of the state of affairs at Washington, than they have done for some days past.

Cation continues very dirm with a rel cemand—sales 200 hale sai 10% (Met for mitting utlands. For madenced with modera equipment.) PHILADELPHIA, April 26 -A private letter from Baltimore says the city is quiet again; that troops are passing from Annapolis to Washington; that there seems to be no desire or intention to interfere; that the or nervative sentiment is predominating again, and that all feel more hopeful of passes to day.

New York, April 26 — The following dispatch was received by Posimaster Taylor from Philadelphia this noon: "The route to Washington via Annapulis is now open, and we shall dispatch a train from here deily at 11:30 a. m., and a line will be started daily from Annapolis to connect with our line up, which will arrive here at 9:30 r. m. The mails can be taken by this route, signed, "S. M. Felton, President without and the Windows and Baltimore

day at 12 o'clock. A genileman just returned from the South says no vessels are permitted to leave the port of Wilmingron, North Carolina, and those loading have been obliged to discharge their cargoes, as the commander of Fort Caswell, at the mouth of Cape Fear river, would not permit any vessels to pass the fort. No seisures of vessels had been made. St. Loute, Mo., April 26 — Twenty-two thousand stand of arms and amunition were sent from the United States arsenal in this city to Alton, Illinois, last night, whence mark. The Commercial, Capt. J. B. Archer, is the rigular packet for Memphis and all way landings at two o'clock this afternoon. Capt. Archer is an expirienced officer, and is well and favorably known as a gentle man to the traveling public. His boat is unsurpassed for comfort, safety and speed by none in the line, and the well known charaoler of the boat gad her Captain is a sufficient guarantee that a trip to Memphis with Capt. Archer would be pleasant and profitable to both parties. She leaves as above from the city wharf. Don't forget

city to Alton, Illinois, last night, whence they will be forwarded to Springfield Many rumors being cironlated yesterday hat the magazine of Lafleur. Smith & Series, five miles above the city, would be ries, five miles above the city, would be ized by irresponsible parties, Mr. Lafteur siled on the Police Commissioners to prousine on the Police Commissioners to pro-tect it, and a detachment of the State militia was ordered out to guard it lest uight. To-day all the powder was pur-chased by the State Government. The Evening Journal learns by letter and private sources that two Germans were arrested yesterday at Orenteville, Missouri, who confessed that a plan had been leid to the A t. C. Tury, Ageot, morth side of Jeffe agreen Brook and Floyd, Nn. 226. pu24

who contessed that a plan had been laid to burn all the bridges on the North Mis-touri, Pacific and Iron Mountain railread, to prevent the concentration of troops in St. Lonis from the interior. Volunteers continue to enter the arsenal ander the President's proclamation. There are now about 8,000 troops there under-going rigorous drilling. MANUFACTURED WITH IMPROVED MACHIN cry out of the best quality of Poplar Timber oing rigorous drilling. Several companies of State militia are having strict guard kept over their armories

having girst guara kept over their an active very hight.

Kenneth Mackensie, one of the oldest merchants of St. Louis, died this morning Mitwackke, Wts., April 26 —The propeller Buckeye arrived this morning from the lower lakes, the first boat of the season through the Straits. through the Straits.

through the Straits.

New York, April 26,—The pilot of the steamer Baltio says the Potomac is strongly fortified on both eides. As the steamer Columbia left Annapolis yesterday morning, we distinctly heard several sharp volleys. Therefore we think communication has been forced open.

The steamer Maryland arrived at Annapolis on Thursday morning, with naval officers and men, and a good supply of guns to fortify Annapolis. She presed on Thursday afternoon, the steamer De Sato which took aboard the crews of two small bosts. They were the crews of captured light ships or Union men flying for their lives from Virginia.

The lights on Capes Henry and Charlis erre extinguished and the light ship removed from its station at the mouth of the INFORMATION WANTED

NEW OLIKANS, April 26, P. M.—The city precents a most warlike military appearance. It is crowded with volunteers, and the beat of the drum and the heavy tramp of armed men are heard day and night.

President.

Houston, Texas, advices ray that a courler arrived from Indianola, stating that the Frderal troops had encamped at Green Lake to take Indianola, and commenced fortifying themselves.

The troops numbered 600 and 600 more were expected from San Antonia.

Judge Hays, with a party of Texas and the places of artillery, was fortifying the places of artillery.
